

HIGHLANDER
LGV95/HL152 AH

OFF ROAD SEATING MANUFACTURER

HIGHLANDER

UnitedSeats presents a new high back AIR seat the LGV95/HL152 AH (Highlander) for construction and industrial machines. It features integrated controls and powered adjustment for weight and height settings. Its cushions provide optimal comfort levels for operators and a wide range of adjustments to enhance cab ergonomics. The horizontal suspension reduces the buffeting motion of front to rear shocks.

It has a large variety of external mounting holes to facilitate installations for both OEM's and aftermarket users.
