OFF ROAD SEATING MANUFACTURER

CS85/C1 AR (RETRO BROWN)

During the 1980's & 1990's several tractor brands such as John Deere, Case-IH, and David Brown had brown trim interiors, with brown trimmed seats.

To enable farmers to restore their cabins in brown livery, UnitedSeats has introduced the high selling CS85/C1 AR in Retro Brown fabric. This not only provides a comfortable and safe ride but meets aesthetic requirements in those classic tractors
