

MARINE SEATING

QUALITY SEATING MANUFACTURER

UnitedSeats for marine craft & vessels

“We’ve got your back”

UnitedSeats is a worldwide manufacturer of off road seating solutions for the industrial, agricultural, construction, transport and marine sectors. All seats are produced under contract for us in a state of the art modern 75,000 m² facility using the latest manufacturing techniques.

We are based in Zwijndrecht, the Netherlands, from where we supply a portfolio of OEMS and dealer network around the world. UnitedSeats remains committed to innovation, providing seating products and supported by excellent sales and service support.

Our in-house design capability allows us to tailor product for OEM and dealer specification. Our range comprises a selection of air and mechanical suspensions which are both high & low profile for different types of marine craft & ships.

These suspensions can be combined with a wide selection of seat uppers and seat pans. Our skill is ‘Uniting your seat’.

Our marine seats are heavy duty and our latest models like the MGV120/C7 PRO can accommodate driver weights up to 150 kgs. Our new MGV35/55 seats are robust, stable & compact suspensions with an excellent 50 - 150 kg weight range. All our suspension seats meet ISO 6683, seat belt strength approval, ISO 7096, construction vibration approval, and all SIP dimensions are to ISO 5353.

UnitedSeats has a wide range of safety critical items, such as seat belts and seat switches.

Special armrests & pods are available to carry joystick controls for various vessels. Also a wide variety of spare parts such as dampers and cushions can be supplied.

Above all our priority is to supply seating solutions to maintain operator health and safety. We also emphasize the need to maintain and repair damaged seats to prevent injuries.

At UnitedSeats we've got your back!

We have seats for the following marine craft & vessels

	Tug/pilot boat
	Ferry boat
	Fishing/trawler
	Rescue boat
	Ship/cruise ship
	Warship
	Dredger
	Barge/inshore fishing boat
	Wind farm vessel
	Water taxi

Focus product range

C1 MARINE

The UnitedSeats C1 upper is a classy PVC water-resistant upper that comes in a variety of colours. White with either red, grey, black or blue.

The versatile seat upper can be mounted on all pedestals in the UnitedSeats range. This upper can also be mounted on all UnitedSeats suspensions. Headrest and armrest come as standard.

This upper is specific for the marine range. Headrest logos are also a popular option with the C1 upper.
